Dear Sir:-

Your favor just at hand. The silver Peace Medals are sold only to members. If you care to become a member I would be very pleased to propose your name. I am enclosing a card to this effect. The dues, you will note, are five ($5) dollars a year and you will be entitled to subscribe to all medals issued by the Society.

In nearly every instance the medals we issue are limited only to Society Members but the Peace Medal in Bronze is one of the few exceptions.

Should you decide to become a member and order the Peace Medals there may be a few days delay in suplying you with these as we strike them up only on order.

I remain,

Very truly yours,

Curator.

Dear Sir:-

In response to your notation on Mr. Wood's letter of the 25th, I can see no objection to the arrangement you suggest. You will readily understand that we did not connect your name with that of your son and this prompted Mr. Wood's letter.

I am sending you two silver medals and should be glad to have your cheque for twenty ($20) dollars at your convenience.

Very respectfully yours,

Secretary.
